Declaration of Conformity according to the REACH regulation - Products of FunderMax

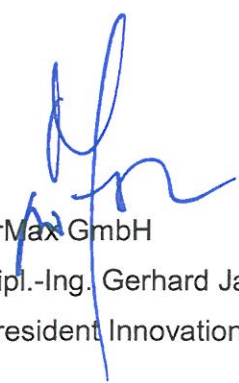

EU Regulation n° 1907/2006 (REACH) is the regulatory framework for chemicals - both substances and formulations - in the EU.

All **boards** and **laminates** of FunderMax are articles according to REACH Article 3 (3). They do **not contain banned or restricted substances** listed in Appendix XVII of the regulation. Furthermore under normal or reasonably foreseeable conditions of use these articles do **not release substances**. Boards and laminates of Fundermax **neither** contain **substances listed in Annex XIV nor substances** of the **Candidate List - Article 59 (1)** - in concentrations exceeding 0,1 mass percent. Thus according to REACH Article 7 (1) there is **no obligation to register** substances contained in the articles.

Changes in the Candidate List are regularly monitored according to the requirements of the REACH regulation. We are aware of our obligations according to REACH Article 33 (1). We will immediately inform our customers if revisions of the Candidate List or of the Appendices mentioned above concern substances contained in our articles.

This declaration is also valid for any packaging material supplied by FunderMax.

For our customers there is no additional need for action because of REACH.
